SUMMARY

I am a Software Developer and my main focus is on solving question based upon any technology or tech-stack used. I am looking for a career that would keep me motivated to wake up the next day.

EXPERIENCE

,   *Present*
- Global rank of 2820 and All India Rank of 1152 in the Google HashCode Competition 2022.
- 30 days of Google cloud program.
- Completed a Certified course of Android App Development from Internshala.
- Completed Student Ambassador Program of Digital Marketing.

PROJECTS

ERS-Frontend
- Selected and grouped with a bunch of fellows in guidance of a senior to enhance the robotics club website of the college.
- Worked on frontend using React,Scss, bootstrap etc.
- Understood the workflow of React.JS.
- https://github.com/ROBOTICS-CLUB-IIITDMJ/ERS-frontend

News App
- API based project.
- Used one news API to showcase different categories of news.
- https://github.com/a-Cash-dixit/News-App

Keeper App
- We can keep,create and delete our notes here. Also used Material icons instead of Bootstrap and Hooks in place of Classes and learned how to handle complex state. Backend part is left.
- https://github.com/a-Cash-dixit/Keeper-App
